City of Milwaukee, Habitat for Humanity Working to Build New Housing in Harambee Neighborhood

The City of Milwaukee and Habitat for Humanity are continuing their strong partnership to build new homes in the Harambee neighborhood. With the support and leadership of Mayor Tom Barrett and Alderwoman Milele Coggs, the Milwaukee Common Council has approved a resolution allowing the Department of City Development (DCD) to sell 41 vacant lots to Habitat for \$1 per lot.

This is part of Milwaukee Habitat's plans to construct 80 homes over four years in the Harambee neighborhood. Bader Philanthropies provided \$1 million to fund this project that will boost homeownership in Milwaukee and strengthen the neighborhood.

"This housing revitalization effort is delivering significant results for the Harambee neighborhood and its residents," said Mayor Tom Barrett. "Maintaining and increasing homeownership has long been a top priority for me. I am proud of the City's partnership with Habitat for Humanity and Bader Philanthropies on this project. Together, we are building a stronger Milwaukee."

"As the cost of housing continues to rise, Habitat

LETTERS TO SANTA MAILBOX ARRIVES AT MITCHELL AIRPORT

MKE and Alaska Airlines will fly your letters to the North Pole as part of award-winning program

Just in time for the holiday season, a Letters to Santa Mailbox has arrived at Milwaukee Mitchell International Airport. Travelers are invited to drop off their letters and wish lists for Santa Claus. The mailbox will be placed near the entrance to Concourse D in the Main Terminal from now through December 15.

Paper and pens will be available. Anyone who writes a letter to Santa is asked to include their address to receive a personalized response back.

MKE, along with Alaska Airlines, will then fly all of the letters received out to the North Pole on a special flight. Children are invited to follow along on the Airport's social media accounts to see their letter's journey to Santa Claus. The letters will be hung on display for all to see at the North Pole this holiday season. This is the

Pauline Redmond Coggs Foundation Hosts Virtual Debutante Cotillion!

It's become synonymous with Thanksgiving turkey and all the trimmings! The Pauline Redmond Coggs Foundation recently held its 47th annual Debutante Cotillion—virtually—on November 27. Eight young women hailing from area schools and colleges, and universities were awarded scholarships by the foundation. With a rich history rooted in service and community impact, the Pauline Redmond Coggs Foundation would normally host more than 500 guests at the downtown Pfister Hotel. But due to the ongoing COVID-19 pandemic, the eight 'debs' were introduced to society virtually as, "The IN Crowd: INtelligent, INspirational, IN-comparable."

"Our IN Crowd theme speaks to the valiant, encouraging and outstanding spirit that our 2021 Debutante 'class' has exhibited along this ever-changing journey," said the foundation's president, Debra Brown-Wallace.

"These Debutantes have already made such an impact in the community, all while balancing their academics, extracurricular activities, and jobs."

The Debutantes have engaged all summer in community projects, workshops, trainings, and fundraising opportunities to round out their debutante experience. The Debutantes have worked with organizations and/or initiatives including, but not limited to: AMRI Counseling Center, St. Gabriel's Adult Daycare Center, Alexian Villages, Trinity Nursing Home, Feeding America, and the United Negro College Fund. To date, more than 1,000 young women have participated, and been awarded more than \$900,000 in scholarships.

makes homeownership affordable for families earning below Milwaukee's median income," said Brian Sonderman, Executive Director of Milwaukee Habitat for Humanity. "This partnership with the City of Milwaukee and Bader Philanthropies is crucial to breaking down the barriers that all too many families face when trying to afford a safe, stable place to call home. By breaking down these barriers, local families will build stability and equity in homes they can truly call their own."

"This effort is community collaboration at its finest," said Alderwoman Milele Coggs. "With this partnership between the City of Milwaukee, Habitat for Humanity, and Bader Philanthropies, we are strengthening the Harambee neighborhood and helping more residents become first-time homeowners."

"I am proud to support this project that is moving the community forward."

"Our work with the Community Development Alliance identified that homeownership has decreased in Milwaukee over the years, disproportionately impacting majority Black neighborhoods like Harambee. It's time to roll up our sleeves and take action to make the dream of homeownership a reality for more residents

and families in our community," said DCD Commissioner Lafayette Crump. "Our partnership with Habitat for Humanity and Bader Philanthropies is a win for Milwaukee that will help advance racial equity in homeownership, generate new tax revenue for the City, and provide affordable housing opportunities for Milwaukeeans."

"Bader Philanthropies is excited to see conversations turn into commitments and concrete action," said President/CEO Daniel J. Bader. "Today's announcement is an example of what is possible when we bring people together, talk about what is possible and take a stand for something bigger than ourselves."

We look forward to seeing vacant lots become homes for individuals who want to be a part of the Harambee neighborhood for years and decades to come."

Since 1984, Habitat for Humanity has built more than 600 homes in partnership with Milwaukee families. After several years of concentrating their work in the Washington Park, Walnut Hill and Midtown neighborhoods, Habitat began building new homes and renovating existing homes in the Harambee neighborhood in 2021.

The construction of these single-family, owner-occupied homes will begin in spring 2022. Each home will be approximately 1,100-1,400 square feet, and will include 3-4 bedrooms and 2 bathrooms. Once completed, the homes will be sold to first-time homebuyers for approximately \$85,000 to \$90,000.

Wise Winter Weather Tips for Your Family Yard

When Old Man Winter comes, calling, homeowners need to keep everyone in the family – including your pets – safe. Follow these wise winter weather tips from the Outdoor Power Equipment Institute (OPEI) and TurfMutt.

Bring Pets Inside: Dogs and cats should be kept inside during cold weather months. Wipe their paws and bellies after they've been outside, and check for ice accumulation between paw pads. If you're using a de-icing agent, remove that salt and other agents, too.

Pick up Debris: Before it snows, remove debris and household items from your family yard. Doormats, hoses, toys and sticks can hide under a layer of snow that could harm your snow thrower, family or pets.

Clear a Path: Your snow thrower is a convenient way to clear your driveway and sidewalks. It also gives your pet a path to their bathroom area.

Trim Trees Carefully: When using a chainsaw, stand with your weight on both feet, adjust your stance so you are angled away from the blade and hold the chainsaw with both hands.

Ventilate Portable Generators: If a winter storm knocks out your power, a generator can be a life-saver if used properly. Place the generator outside and away from windows, doors and vents that could allow carbon monoxide to come indoors.

Watch Where You Throw: Keep kids and pets away from the equipment, and never put your hand in the chute or auger to clear a blockage. Turn the machine off and always use a clean-out tool.
