What were the slave narratives and why were they so important?

What Does '40 Acres And A Mule' Mean?

Kendrick Lamar Lyric And History, Explained

By Tomas Kassahun, Article courtesy of Blavity via news break.com

Kendrick Lamar's Super Bowl performance included a series of symbolic references that the average viewer may have missed at first glance.

One of Lamar's subtle messages was a reference to "40 acres and a mule," a phrase with deep historical significance originating after the Civil War.

During his performance, Lamar declared: "40 acres and a mule, this is bigger than the music. They tried to rig the game, but you can't fake influence."

The History Behind '40 Acres and a Mule'
After the Civil War, formerly enslaved people were promised "40 acres and a mule" as a form of reparations.

However, this promise was short-lived. According to USA Today reported., the American government quickly abandoned the plan.

The policy originated from Special Field Order No. 15, issued by Union General William Tecumseh Sherman in 1865.

This order aimed to redistribute confiscated Confederate land to formerly enslaved people.

However, after President Abraham Lincoln's assassination, his successor, Andrew Johnson, overturned the policy and returned the land to former enslavers, according to The Center For Public Integrity in its investigative report, "40 Acres and a Lie."

The Broken Promise: Land Seized from Black Communities

One of the first beneficiaries of the policy was Jim Hutchings, a formerly enslaved man who received 40 acres on Edisto Island, South Carolina. However, his land was seized and returned to white landowners shortly after.

A similar story unfolded on Skidaway Island, Georgia, where Black communities briefly thrived on land that had been part of former cot-

Historian Henry Louis Gates Jr. described the "40 acres and a mule" policy as the first significant attempt at reparations for formerly enslaved people, calling it "astonishingly radical for its time."

ton plantations.

By 1865, the federal government reversed its decision and gave the land back to its previous owners.

Today, Skidaway Island is a gated community owned by a wealthy family, with little trace of its former Black prosperity.

The Lasting Impact of Reparations Denied

Historian Henry Louis Gates Jr. described the "40 acres and a mule" policy as the first significant attempt at reparations for formerly enslaved people, calling it "astonishingly radical for its time."

"In fact, such a policy would be radical in any country today: the federal government's massive confiscation of private property...formerly owned by Confederate landowners, and its methodical redistribution to former Black slaves," Gates Jr. said, according to Mother Jones .

Historian John David Smith echoed this sentiment, emphasizing that the effects of this broken promise still resonate today.

"The freed people desperately wanted land,

believed that they had been deceived, and felt betrayed," Smith wrote, per Mother Jones. "The legacy of that sense of betrayal lingers on...a sober reminder of the ex-slaves' broken hopes and shattered dreams."

Lamar's reference to "40 acres and a mule" was more than just a lyric—it was a powerful reminder of a historical injustice that continues to shape racial and economic disparities in America today.

What were the slave narratives and why were they so important?

By Bilal G. Morris, article courtesy of newsone.com

"You have seen how a man was made a slave; you shall see how a slave was made a man" – Frederick Douglass.

"History" is an interesting word. Evolving from the ancient Greek "historia," meaning to inquire into or knowledge acquired by investigation, when you say it aloud, it almost explains itself; "his-story."

But what if telling "your story" meant persecution or even death? Would you still have the courage to tell it?

For enslaved Black Americans, telling their stories came with a risk of persecution or even death.

Yet, many still did, leaving behind crucial records

known as slave narratives.

According to Britannica, the slave narratives were accounts of the life, or a major portion of the life, of a fugitive or former slave, either written or orally related by the slave personally.

These narratives comprised influential stories from American history that many folks would rather forget.

They helped paint pictures of defiance, survival, and truth that reshaped many Americans' perceptions of slavery.

They also influenced the minds of some of the most important Black writers in American Literature history.

From 1760 to the end of the Civil War in the U.S., around 100 autobiographies written by former or fugitive slaves began circulating in the country.

Slave narratives and why were they so important?

(continued from page 2)

When slavery was abolished in 1865, at least 50 ex-slaves wrote or dictated book-length accounts of their lives.

In the 1930s, when the Great Depression took hold, the WPA Federal Writers' Project collected oral personal histories from 2,500 former slaves.

This collection filled 40 volumes and would be known as the slave narratives.

During the rise of the abolition movement in the early 19th century, firsthand accounts that painted a picture of the harsh realities of slavery were needed to humanize Black Americans, who at the time were still seen as less human by a large swath of the American population because they were slaves.

Literacy was a dangerous skill to have if you were a slave because slave masters understood the power of a good story, especially when it revealed the harsh conditions of slave life.

Slaves telling their own stories was empowering, which was the slave masters' biggest fear.

The first slave narrative to become an international best-seller was the 1789 two-volume narrative called Interesting Narrative of the Life of Olaudah Equiano; or, Gustavus Vassa, the African, Written by Himself.

The narrative traces Equiano's life from a boy in West Africa through the transatlantic middle passage to his eventual freedom and economic success as a British citizen.

In 1845, Frederick Douglass would release the Narrative of the Life of Frederick Douglass, An American Slave, Written by Himself. Douglass' narrative was so influential it would be known as the epitome of the slave narrative.

Douglass' writing was masterful as he skillfully crafted his quest for freedom and pursuit of literacy in a compelling story that promoted intellectual freedom just as much as physical.

One of the other most influential slave narratives that changed the way Americans viewed slavery was Incidents in the Life of a Slave Girl, written by Harriet Jacobs in 1861.

Jacobs was the first Black female slave to author her own narrative. It depicted her resistance to her master's sexual exploitation and her ultimate achievement of freedom for herself and her two children, according to Britannica.

Each one of these narratives helped play an important role in abolitionist propaganda and began to change the narrative of how Americans viewed slavery and Black Americans.

These stories not only made other Americans see the human in Black people, but they began a long tradition of African American autobiographies that delve into what it's like to be Black in America.

From The Autobiography of Malcolm X (1965) to Toni Morrison's Beloved (1987), these amazing works of American literature were directly inspired by slave narratives.

History is important and should be protected. But, with a MAGA country willing to delete the history that doesn't suit their agenda, that history could disappear.

Photo by campwillowlake/Getty

"In 1845, Frederick Douglass (shown above) would release the Narrative of the Life of Frederick Douglass, An American Slave, Written by Himself. Douglass' narrative was so influential it would be known as the epitome of the slave narrative."

HOW THE WEALTHY ENGINEERED WHITE SUPREMACY: The Wilmington Massacre of 1898

By Gregory E. Williams

The Wilmington, North Carolina, massacre of 1898, also called a coup, was not a spontaneous eruption of white supremacist violence, but instead came from the top leadership of the Democratic Party and was backed by the rich. The purpose was to drive Black people out of public life and ensure minority rule by wealthy white businessmen. How did they pull this off? Manipulation of the mass media was a principal factor, along with setting up pseudo-grassroots organizations throughout the state. ...

Take the editorial published first in the Progressive Farmer and reprinted in the Charlotte People's Paper on Nov. 4, just before the election. The article correctly characterizes the Democratic Party's White Supremacy Campaign as swindling whose real objective was to secure "a legislature which will be the tool of plutocracy – of the moneyed men, and that will give us an election law, whose meaning shall be 'those who own property must rule.'"

Very well, but the author went on to say that among the Democrats there is "not one who is a more earnest advocate of white supremacy than we." There we have it! Sections of the populist movement attacked the Democrats from the right, attempting to prove that they were the true white supremacists.

This should be familiar to us today. This sort of capitulation happens when sections of the progressive movement adopt transphobic and other reactionary positions. It happens when sections of the progressive movement attack Palestine solidarity, following the lead of the Democratic Party.

What is Every Day Counts?

- A 16-week lifestyle program for women living with metastatic breast cancer (cancer that has spread beyond the breast to other parts of the body i.e. brain, liver, bones).
- A program that provides tools for you to gain physical strength and support healthy eating.
- A study that will help us understand how diet and physical activity impact energy and quality of life.

**PUBLISHER'S STATEMENT
THE MILWAUKEE COMMUNITY JOURNAL TO PUBLISH LEGAL NOTICES**

The Milwaukee Community Journal expanded its services to the greater Milwaukee community with the publishing of legal notices in the 'WEEKEND EDITION.' As a qualified provider of the publication of legal notices, MCJ will serve City, County and State offices for publishing community notifications.

- Such notifications include:
- Public Hearings
 - Public Meetings
 - Election Notices
 - Divorce Proceedings
 - Name Changes
 - Publication of Summons when personal services cannot be made to defendants
 - Notice of Auction of unclaimed storage property
 - Probate Notices
 - Foreclosure Sheriff's sales notice of creditor listing of property for sale.
 - Other general legal and public notices

ABOUT MILWAUKEE COMMUNITY JOURNAL (MCJ) WEEKEND EDITION

The Milwaukee Community Journal Weekend Edition is published weekly. Each week, MCJ Weekend focuses on different subjects, HEALTH, PERSONAL, FINANCE, FAMILY, MEN, AND WOMEN. THE WEEKEND EDITION now includes the publishing of records designated by the Milwaukee County Circuit Court for publication of legal notices, with added value in the Wednesday Edition. The Weekend Edition is a public newspaper of general circulation that complies with the laws of Wisconsin relating to publication of legal notices. MCJ Weekend Edition has published weekly over ten years, in the State of Wisconsin and Milwaukee County. We have a paid circulation of approximately 89% of our circulation, weekly. And our actual paid subscribers are over the 1000 required by State Statue.

ABOUT THE MILWAUKEE COMMUNITY JOURNAL (MCJ)

The Milwaukee Community Journal (MCJ) is a quality news organization published throughout Milwaukee and the surrounding suburbs. Established in 1976, the Milwaukee Community Journal has advanced the plight, struggles and victories of minorities in Wisconsin, with a passion for building community. The MCJ accentuates the positive, analyzes the negatives and advocates to seed success. The Milwaukee Community Journal stockholders are Patricia O'Flynn Pattillo (90%); Mikel Holt (5%); and Todd Thomas Thomas (5%) respectively, and is current in filing by the State of Wisconsin, effective October 10, 2018.

DIVORCE – 40101
Case No. 25FA000141**

In Re: The marriage of Petitioner: MARIA C CASTRO CAMPOS and ERIC DIAZ MORALES

THE STATE OF WISCONSIN, TO THE PERSON NAMED ABOVE AS RESPONDENT:

You are notified that the petitioner named above has filed a Petition for divorce or legal separation against you.

You must respond with a written demand for a copy of the Petition within 40 days from the day after the first day of publication.

The demand must be sent or delivered to the court at: Clerk of Court, Milwaukee County Courthouse 901 N 9th St Milwaukee WI 53233 and to MARIA C CASTRO CAMPOS 3241 S 43rd St Milwaukee WI 53219

It is recommended, but not required that you have an attorney help or represent you.

If you do not demand a copy of the Petition within 40 days, the court may grant judgment against you for the award of money or other legal action requested in the Petition, and you may lose your right to object to anything that is or may be incorrect in the Petition.

A judgment may be enforced as provided by law. A judgment awarding money may become a lien against any real estate you own now or in the future and may also be enforced by garnishment or seizure of property.

You are further notified that if the parties to this action have minor children, violation of 948.31 Wis. Stats., (Interference with custody by parent or others) is punishable by fines and/or imprisonment:

If you and the petitioner have minor children, documents setting forth the percentage standard for child support established by the department under 49.22(9), Wis. Stats., and the factors that a court may consider for modification of that standard under 767.511 (1m). Wis Stats. are available upon your request from the Clerk of Court.

You are notified of the availability of information from the Circuit Court Commissioner as set forth in 767.105 Wis. Stats.

767.105 Information from Circuit Court Commissioner.

(2) Upon the request of a party to an action affecting the family, including a revision of judgment or order under sec. 767.59 or 767.451:

(a) The Circuit Court Commissioner shall, with or without charge, provide the party with written information on the following, as appropriate to the action commenced:

1. The procedure for obtaining a judgment or order in the action.
 2. The major issues usually addressed in such an action.
 3. Community resources and family court counseling services available to assist the parties.
 4. The procedure for setting, modifying, and enforcing child support awards, or modifying and enforcing legal custody or physical placement judgments or orders.
- (b) The Circuit Court Commissioner shall provide a party, for inspection or purchase, with a copy of the statutory provisions in this chapter generally pertinent to the action.
